

These are the projects from our AI-NLP-ML group:  
Prof. Pushpak Bhattacharyya (Leader), Dr. Asif Ekbal and Dr. Sriparna Saha

1. IITB-IIT Patna joint project on "Natural Language Processing and Machine Learning"

Sponsoring agency: Computational Linguistics Conference, 2012

Amount-48 Lac

Duration- NA

Starting year-2015

2. Centre of Excellence of Natural Language Processing

Sponsoring agency: Reed Elsevier India Private Limited (Head office: Netherlands)

Amount- Rs. 21,340,800.00

Duration- 3 years

Starting year-2015

3. EzDI Research Lab of Health Informatics

Sponsoring agency: Mediascribes Solutions (India) Pvt. Limited

Amount- 1,490,400.00

Duration- 3 years

Starting year- 2015

4. Research on NLP and Machine Learning

Sponsoring agency: PROCESS NINE TECHNOLOGIES PVT. LTD

809A, PHASE 5, UDYOG VIHAR, GURGAON 122016

Duration-NA

Amount- under negotiation (MoU has been signed)

Starting year-2015

5. Indian Language to English Machine Translation System

Sponsoring agency: DeiTY

Duration-2 years

Amount- 82.75 Lacs (Consortium of four institutes)

Starting year: Likely to be started

6. Development of Some Novel Methods for Semi-supervised Machine Learning and its Applications to Language Technology

Sponsoring agency: DeiTY

Duration-2 years

Amount- 35 Lacs

Starting year: Likely to be started

7. Optimization Technique for Human Language Technology (Executed)

Sponsoring agency: Australia India Strategic Research Fund (AISRF)

Amount-4.82 Lacs
