Admitted LSUSQ No. 2438 (Diary No.7667) o be answered on 04/08/2025 "Enhancement of Seats in

S.No	Name of the Institute	whether the Government intends to increase the seats in the existing Indian Institute of Technology (IITs) across the Country:	if so, the details thereof:	the number of seats proposed to be increased and measures being taken to enhance infrastructure and faculty capacity with timelines; and	if so the details thereof and if not, the reasons therefor?
		(a)	**(b)**	**(c)**	**(d)**
10	**IIT Gandhinagar**	Yes	Yes, IIT Gandhinagar has introduced new branches in both UG and PG programmes over the past two years. As a result, UG seat intake has increased by approximately 23% since 2022–23, and PG seat intake has increased by approximately 18% since 2023–24.	IIT Gandhinagar plans to gradually increase student intake in alignment with available infrastructure and the faculty–student ratio. Over the next five years, UG strength is planned to be increased by approximately 20%, and PG strength by around 10%. Proposal to enhance the faculty strength was placed in the last meeting of the Board held on 21.06.2025. After approval by the Board, the proposal has been sent to the Ministry of Education for approval.	IIT Gandhinagar plans to gradually increase student intake in alignment with available infrastructure and the faculty–student ratio. Over the next five years, UG strength is planned to be increased by approximately 20%, and PG strength by around 10%.
11	**IIT Bhubaneswar**	Yes	Total projected student strength by 2030 is 5400 over the present student strength of 3184 (2024-25).	For Infrastructure Development: MoE has sanctioned Rs 452 Cr. through HEFA in 2024. Faculty strength to be increased at the ratio of 1:10 as and when required and accordingly Non-teaching staff strength.	Same as C
12	**IIT Hyderabad**	Yes	Next 5 year Projection increase in student strength (Year wise) Program 2025-26 intake -1690 2026-27 intake -1740 2027-28 intake -1860 2028-29 intake -1930 2029-30 intake-2010	Seats will be increased in accordance with the faculty to student ratio as approved by the Academic Senate, IIT Hyderabad	Seats will be increased in accordance with the faculty to student ratio as approved by the Academic Senate, IIT Hyderabad
13	**IIT Jodhpur**	Yes	Institute is planning to increase seats in the present programmes, also introducing new programmes and academic units in view of Govt. and Industry requirements and would prepare a comprehensive plan for next 5 years.	The seats will be increased on the dscision of the Senate meeting, in accordance with the infrastructure capacity and student faculty ratio of the institute. The MoE/ HEFA has approved HEFA Loan for Phase-3B Devlopment Work of IIT Jodhpur in which Institute has envisioned future Infrastructure requirement. Also, the Faculty Rerruitment drive is continously going on to fill up the vacant faculty positions through Rolling Advertisement/ Special Recruitment Drive for reserved categories.	The seats will be increased on the dscision of the Senate meeting, in accordance with the infrastructure capacity and student faculty ratio of the institute.
14	**IIT Ropar**	Yes	Next 5 year Projected increase in student intake (Year wise): 2026-27 intake -1510 2027-28 intake -1680 2028-29 intake - 1837 2029-30 intake- 2002 2030-31 intake- 2434	The institute is planning to enhance the infrastructure by constructing academic buildings like Lecture Hall Complex, Workshop and residential buildings like Hostels, Type IV & Type II residences by availing HEFA loan, the proposal of which is under process with MoE. The project duration for the major buildings is estimated at 24 months, comprising 6 months for pre-construction activities—including planning, design, approvals, and tendering—and 18 months for the execution of construction works. The increase in the strength for faculty positions is also under consideration in accordance with student to faculty ratio.	Same as C

Rajya Sabha Unstarred Question 1144 on Promotion of Research In Information Technology.

S.No	Name of the Institute	whether Government is encouraging students of Higher Education Institutions (HEIs) in the country to embark upon research and innovation in electronics and information technology with special reference to artificial intelligence, if so, the details thereof,	the details of funds, if any, allocated to the States in this regard by Government	whether Government is further encouraging student led start up eco systems to harness their potential in information technology in the country and, if so, the details thereof
1	IIT Kharagpur	1. IIT Kharagpur has a Department of Artificial Intelligence that offers B. Tech in Artificial Intelligence, M. Tech in Artificial Intelligence, Interdesciplinary Dual Degree M. Tech in Artificial Intelligence and also carries out Rsearch Programmes in AI. 2. AI4ICPS Innovation Hub at IIT Kharagpur that received an initial Grant from DST, Government of India, supports AI based projects in Health Care, Smart City, Traffic Management and various other socially impactful areas. The Hub also supports a number of Startups working in AI Applications.	The DST has given a fund of Rs 24.45 Crore under the National Mission NM-ICPS to IIT Kharagpur AI4ICPS I Hub Foundation to fund translational research project in AI & ML for Cyber Physical Systems and to fund and incubate startups in this area.	The Ministry of Education and AICTE has further given Rs. 6 Lakhs to a student led AI startup from IIT Kharagpur under the scheme of Grant Support to Innovation, which is currently incubated under AI4ICPS Innovation Hub.
2	IIT Bombay	IIT Bombay offers a comprehensive AI ecosystem through the Department of Computer Science and Engineering, Centre for Machine Intelligence and Data Science (C-MInDS), and Technocraft Centre for Applied AI (TCAAI), combining academic excellence with industry-focused research. IIT Bombay has started Centre for Machine Intelligence and Data Science which offers PhD, MS, Dual Degree and minor degrees in AI and data science. Koita Centre for Digital Health also offers PhD in digital health, MS by Research in Health Informatics, dual degree Masters and minor programs.		
3	IIT Madras	IIT Madras have started a Department of Data Science and AI. The department offers B.Tech, M.Tech, M.S, and Ph.D programmes in DS and AI.	Enclosed as Annexure 1	Ministry may reply
4	IIT Kanpur	Academic programmes: Offers MTech, MS and eMasters programme in AI, Data Sciences and IT Internship,Research,Challenges,Hirings: Students are offered internships/Fellowships/ project as a part of cirriculum and encouraged to participate in govt schemes and challenges Initiatives: C3i-Translational research Park focuses on cybersecurity and Ai-driven research, CoE in AI for Sustainability, School of Advanced AI & Intelligent Systems	Link to Annexure-1	Collaborations with various government bodies, such as the National Health Authority (NHA) and the Ministry of Electronics and Information Technology (MeitY), to advance AI research and development in specific domains like healthcare and digital governance. ii) E&ICT Academy: This government-supported initiative provides online courses in emerging technologies, including AI, ML, and cybersecurity, to enhance the skills of students and working professionals iii) Incubation Centre: AIIDE CoE: Artificial Intelligence and Innovation Driven Entrepreneurship - CoE (Center of Excellence) is a domain-specific facility that provides Mentorship, Networking opportunities, training, research & development, Infrastructure, funding opportunities to the start-ups.

13	IIT Jodhpur	IIT Jodhpur has taken an initiative to establish a Centre of Excellence (CoE) in AyurTech, under the School of Artificial Intelligence and Data Science, where electronics, AI, and Ayurveda science knowledge are being used in consonance to explain the ayurvedic principles of diagnosis and treatment. The students in various educational programs are involved in the activities of the CoE. Additionally, at the Department of Electrical Engineering, IIT Jodhpur, the wireless communication faculty members are actively involved in developing AI/ML-based signal processing and automated network service management techniques for 5G and beyond communication. They are also part of an intelligent spectrum innovation research project sponsored by DST+UKRI-EPSRC under India-UK Joint opportunity in Telecommunications Research.	List attached (⊞ Final Data)	To promote student entrepreneurship and technology-led startups, IIT Jodhpur has established a Section 8 company, the Technology Innovation and Startup Center (TISC). • TISC currently has over 52 incubated startups, many of them founded or co-founded by students and alumni from IIT Jodhpur. • The center has trained 5,400+ students and early professionals to become entrepreneurs in scalable and emerging areas such as Information Technology, Artificial Intelligence, IoT, EHR, and Digital Health. • IIT Jodhpur has successfully implemented the National Innovation and Startup Policy (NISP) and has regularly conducted orientation workshops, encouraging students to become job creators instead of job seekers. • TISC has guided over 20 startups or individuals in securing Government and private seed-stage funding, ranging from ₹2 lakhs to ₹50 lakhs, through schemes such as TIDE 2.0, NIDHI PRAYAS, BIRAC BIG, and MSME Ideathon. • The center has also supported budding entrepreneurs with cloud infrastructure to host and test their pilots, and helped them identify and connect with early users for live feedback. • Notable student/alumni-led ventures from IIT Jodhpur include: o Kuku FM – a widely used vernacular audio content platform. o Medront Datalabs – pioneering digital pathology and diagnostics. o Unicorniz Innovation, EduMEasy, and Infillion Global Private Limited – working across edtech, AI, and analytics domains. Together, these national schemes and institutional programs, particularly through incubators like TISC at IIT Jodhpur, are building a resilient, inclusive, and future-ready startup ecosystem. Although most government programs are not limited to IT alone, student-led IT startups are among the largest beneficiaries, especially in digital health, edtech, enterprise SaaS, and AI-driven public services.
14	IIT Ropar	Yes, IIT Ropar established School of Artificial Intelligence and Data Engineering (AIDE) offering undergraduate and postgraduate programs focused on AI, data science, embedded systems, and IoT. 2. Technology Innovation Hub on Agriculture and Water (TIH-AWaDH established under DST's NM-ICPS program), 3. Technology Business Incubator Foundation (TBIF). 4. In alignment with the India AI Mission and other national strategies IIT Ropar is contributes in the development of AI Centres of Excellence, especially in the field of digital agriculture. IIT Ropar also conducts specialized certificate programs, workshops, and outreach activities focused on AI for healthcare, smart surveillance, and sustainable agriculture	1. A grant of 1.55 Cr has been sanctioned to IIT Ropar by MEITY under Tide 1.0 scheme to support AI/ML/IT/IoT domain startups. Under this a fund of 60 lakhs has been received by the institute. 2. DST has sanctioned a fund of 4.98Cr has been sanctioned to IIT Ropar to set up a NIDHI TBI to support startups from various sectors including AI/ML	
15	IIT Patna	Yes. We have dedicated incubator, TIH (I-Hub) for Innovation and Technology Development using IT & AI as a tool.	1. 3.5 crore project fund by DST 2. 100 crore NMCPS fund for setting up of TIH 3. Govt. of Bihar fund for Incubation	TISC currently has over 52 incubated startups, many of them founded or co-founded by students and alumni from IIT Jodhpur.

Subject: Seeking Inputs for Admitted Rajya Sabha Starred Question No. 120 to be answered on 30.07.2025 regarding "Multiple Entry-Exit system and Academic Bank of Credits"

S.No.	Query	Reply
a.	Whether any assessment has been conducted regarding the challenges faced in implementing the multiple entry-exit system in higher education, and if so, the details thereof;	The Institute has created exit policies for B.S., B.Tech., M.Tech. and Ph.D. students. The B.S. students can exit with a B.Sc. degree in Physics and Chemistry following the norms as specified by the Senate. The M.Tech. and Ph.D. students can exit with Diploma and M.S. by Research degree, respectively following the norms as specified by the Senate.
		For example, students entered in B.Tech. in Mechanical Engineering can Exit with B.Sc. in Engineering Science, or B.Tech. in Engineering Science, or B.Tech. in Mechanical Engineering with a specialization, or B.Tech. in Mechanical Engineering and Engineering Science. Institute is currently offering multiple entries to the Ph.D. programmes. Other than the standalone Ph.D./M.Tech.-Ph.D. programmes, one can convert to the M.Tech.-Ph.D. programme even after completing 2-3 semesters in M.Tech. programme if he/she meets the CGPA requirement. As multiple exits, after completing 3 years in M.Tech.-Ph.D. programme, a student can also convert into a part-time/external Ph.D. student and avail a M. Tech degree if all conditions for part-time/external conversion are satisfied.
		IIT Jodhpur has been aligning its postgraduate offerings in line with the National Education Policy (NEP) 2020 by introducing stackable programs such as M.Tech. Executive Programs, Postgraduate (PG) Certificate Programs, and PG Diploma Programs. The stackable structure allows for multiple entry and exit options as envisioned by NEP 2020.
		As of now, no challenges have been observed

		in the implementation of the Multiple Entry-Exit System for the academic programs. The Institute will continue to monitor the process closely and take appropriate measures if any issues arise during further implementation.
b.	The measures taken to address the concerns raised by stakeholders such a lack of standardization in transfer mechanism, ambiguity/vagueness and integration challenges;	As of now, no significant challenges have been observed during the ongoing implementation process. However, the Institute remains vigilant and committed to addressing any issues that may arise. Appropriate measures will be taken promptly in case any ambiguity, vagueness, or integration challenges are reported by stakeholders.
c.	The progress made in implementing the Academic Bank of Credits (ABC) system, including the number of universities that have fully adopted the Academic Bank of Credits system; and	The Institute is in the process of implementing a mandatory NAD Digilocker account for all students and is actively coordinating with NAD Digilocker authorities to facilitate access to various services and solutions associated with NAD Digilocker. In parallel, the Institute is also working on a comprehensive implementation plan for the Academic Bank of Credits (ABC).
d.	The expected timeline/dates for universal adoption of the ABC in higher education?

IT Jodhpur

25.07.2025

Subject: <u>Seeking Inputs for LSUQ No. 1273 regarding Dedicated Mental Health Counselling Centers for answer on 28.07.2025</u>

(a) The total number of Institutes of National Importance having dedicated mental health or counselling centers with full-time professional counsellors or clinical psychologists.

- IIT Jodhpur has a dedicated counselling service for mental health, consisting of full-time resident professional counsellors including clinical psychologists. There are two psychiatrists visiting the Institute's Health Center, who are on-call for emergencies.

(b) the total number of such institutes that have implemented a mental-health screening module such as questionnaires or peer-assessment programmes during student induction or periodically.

- IIT Jodhpur collects a mandatory and confidential Self-Declaration of Wellbeing indicating past history and any current mental health condition, which is checked by the counsellors in-person at the time of new registration.
- A mental health screening module for new students has been approved by the Competent Authority of the Institute and is likely to be administered soon.

(c) the total number of institutes having 24×7 helpline or tele-counselling services, either in-house or via partnerships with platforms like Your DOST or Tele-MANAS.

-YourDost is the online counselling partner providing 24 X 7 services for IIT Jodhpur, along with conducting awareness sessions and disseminating a weekly newsletter.

(d) whether any centralized audit or annual report is produced to track student uptake, session usage, and impact evaluation across these institutions.

- A bi-annual report is submitted by the counselling team indicating the number of students availing counselling services, distribution across programmes of study etc., and the number of crisis interventions done.

(e) whether the Government has any plans to ensure that all Institutes of National Importance comply with minimum mental-health infrastructure standards by 2026.

- IIT Jodhpur has Student Counsellor, Psychiatrists and facility of tele-counselling services to ensure adequate support to the campus community (Students, Faculty, Staff). Also, IIT Jodhpur conducts various outreach and awareness programmes and is taking structured steps to consolidate its mental health services with the intent of augmenting it further.

  IIT Jodhpur also has Primary Health Center with qualified Medical Professionals, Ambulance Services, and essential diagnostic facilities along with referral tie-ups with prominent Hospitals to ensure timely medical support.

5	IIT Delhi	To address the faculty shortage /Recruitment for academic positions at IIT Delhi is done through the process of rolling advertisements. The rolling advertisements are done in two (02) cycles every year, January-June and July-December. In addition to rolling advertisements, special drives are also undertaken by the Institute to recruit Academic staff.	The following incentives are provided to Foreign faculty at IIT Delhi: 1. Professional Development Fund of Rs 3 Lakh for a 3 year block period. 2. New Faculty Seed Grant (NFSG) of upto Rs 20 Lakh available to new faculty. 3. Faculty Research Travel Award (FRTA) to support international travel of faculty members for strengthening and promoting collaboration and research at IIT Delhi. 4. Young Faculty Incentive Fellowship Scheme (YFIF) 3.Faculty with his/her spouse and two dependent children upto age of 18 years can avail the facility of travel mentioned Home/town once in a 2 year cycle. Resolution No 38 of 23/2025 dt 17.06.2019. b. In campus housing, Medical benefits, Reimbursement of Telephone bills, Reimbursement of expenses incurred to join IIT Delhi. 7. Chair positions are also offered to foreign faculty.	1. The MFIRP (Multi Institute Faculty Interdisciplinary Research Programme) scheme of R&D Unit of IITD fosters research collaborations with faculty from partner institutions, both within and outside of India, by providing support of Rs 5 lakhs per year for two year duration. Here a research proposal jointly submitted by an IITD faculty and his collaborating faculty in other Academic Institution is funded jointly by IITD and partner Institute. IITD has MFIRP projects with various institutes such as AIIMS, IMB, NYCU-Taiwan, UCL-UK, HUJI-Israel, LU Delft-Netherlands, Khalifa University-UAE, UBuffalo-USA, Univ Paris-UK, etc. Currently around 100 such projects are ongoing at IITD in the areas of Semiconductors, Advanced Materials, Next Generation airport, Biotechnology, Biomedical devices. 2. The Foundation for Innovation and Technology Transfer (FITT) at IITD serves as an interface with the Industry and looks after the Fostering and IP work at IITD. The startup incubation at the IITD park at Hauz Khas campus provides support to startups funded by the IITD students and the faculty members. The startups also can avail the advanced facilities housed at Central Research Facility (CRF), Nanoscale Research Facility (NRF), and other departmental labs. 3. IITD has established School of AI that imparts education and training to the students in various application areas of AI. A number of faculty across various academic units are associated with the School of AI, and they carry out cutting edge research in their areas of expertise. Special emphasis is given for AI in Healthcare involving collaboration with AIIMS. Application of AI in new materials design, medical diagnostics, Semiconductors etc are being explored at present.
6	IIT Guwahati	1. IIT Guwahati has completed faculty recruitment through the Special Recruitment Drive against reserved vacancies and Mission Mode Recruitment including all categories of candidates. 2. IIT Guwahati has also completed a phase of regular recruitment and currently an advertisement has been floated for recruitment of faculty in various schools. 3. The Institute is trying to fill the vacancies including reserved categories as much as possible under all the recruitment drives at the earliest possible. 4. Efforts are made to appoint candidates belonging to reserved categories. However, a sufficient number of meritorious candidates were not available in such categories and IIT Guwahati does not want to compromise on the merit/quality of the candidates. Posts are vacant both in the unreserved as well as reserved categories. This is because of the shortage of good quality candidates in both the unreserved as well as reserved categories, who aspire for teaching positions.	Here are the key incentives and benefits offered 1. Appointment Type & Remuneration • Contractual Appointments for - Initially for shorter terms (e g 1-2 years), with possible extension • Various positions offered such as Honorary Faculty, Distinguished professor, professor of practice etc. • Pay based on monthly as well as per lecture/talk basis. • Involvement in research activities. Can call for projects, collaborative works, take up courses. 2. 12	IIT Hyderabad		The amount allocated for IIT Hyderabad for the academic year 2025- 2026 is— OH31 - 10 lakhs Rs and OH 35 is 1,90,000 Rs. This amount is used to conduct talks, workshops on mental health by experts in mental health for the students, staff and faculty. The funds are also utilized for Orientation programs for the freshers about mental health, mentor and buddy meet sessions across departments, celebration of significant days like Suicide prevention day, mental health day and happiness day to spread awareness about mental health across students and the community.	There was no formal committee constituted to examine the mental health of the students. However, the institute has three full time professional psychological counsellors who address mental health concerns across the campus. These counsellors are on campus and are available for all psychological support and emergencies. In November 2024, a National Wellbeing Conclave was organized in IITH with the support of the Department of Higher Education, Ministry of Education. During this event, representatives from 98 centrally funded higher education institutions across the country participated to share and discuss the mental health initiatives and measures undertaken at their respective campuses.		
13	IIT Jodhpur	Yes	Total Amount - 193.21(Rs. in Lakh)	The Ministry of Education, Secretary (HE)'s D.O. letter dated 05.05.2025, sought data/information from the Institute regarding the existing mechanisms/initiatives undertaken related to student mental health, as required by the National Task Force constituted by the Supreme Court of India. The National Task Force shall analyze the data received from Higher Educational Institutions and engage with all stakeholders to develop effective recommendations. This information as provided by the Institute to the Ministry is summarized below— -IIT Jodhpur has a dedicated residential counselling team with counsellor to student ratio of 1:600. -Online 24 X 7 counselling -Faculty Support through a dedicated Institute Student Wellbeing Committee (ISWC), which works in collaboration with the Institute Counsellors and Student Guides. -Orientation program for new students -Emergency support -Availability of psychiatrists for consultations, and on-call for emergencies. -Mental Health Declaration -Appointment of Student Ombudsperson, maintaining strict anonymity of the aggrieved students in the grievance redressal process. -The overall well-being of students is fostered by various sports, extracurricular and festive activities that build a strong community. Various student activities are run by different Boards, including a Board of Student Welfare. -Training, outreach and awareness programs on mental health -The above measures have been successfully implemented, as indicated by the increasing number of students seeking counselling, and the timely averting of mental health crises in IIT Jodhpur.	2. The CST provides students with oppo	The National Task Force is expected to submit its interim report within four months and final report within eight months from the date of the order. In the meantime, IIT Jodhpur has already been taking structured steps to examine and improve student mental health, as elaborated in answers (d) and (e), regarding which it has provided information to the Ministry of Education as asked.
