Subject: Rajya Sabha Unstarred Dairy **No. U 1143** for answer on **6.12.2021** regarding " Functioning of Central Universities and disbursal of student's scholarships":

Dear Sir,

I am to invite a reference to your e-mail dated December 3, 2021 on the above-mentioned subject and to furnish the requisite information in respect of IIT Indore as stated below:

(a) **whether Government has given any directions for full operations of Central Universities and other institutions that comes under the purview of Government;**

Reply : IIT Indore is committed to follow the directions of the Ministry of Education, Govt of India received from time to time. This Institute has not received directions for full operations of the institute as on date. However, academic activities such as classes and exams for the current semester are being conducted in online and hybrid mode.

(b) **by when the Central Universities and other institutions of national importance will begin offline classes for undergraduate and postgraduate students;**

Reply : The current semester of AY 2021-22 (Autumn Semester) is operational in online mode. The 2022 – Spring semester for existing UG , PG and PhD students will be commencing from December 27, 2021 is likely to be in hybrid mode i.e both in online and offline mode depending on the prevailing situation.

The students who are fully vaccinated are permitted to return to campus in phased manner allowing them staggered windows for entry followed by observation before assimilation to other campus community.

The Institute is planning to run the academic activities in hybrid mode and classes may start in offline mode from next semester onwards depending on local covid situation and guidelines/ instructions from the MoE, Govt. of India and local administration.

c) whether it is a fact that UGC has failed to disburse various scholarships for postgraduate and research students during the university closure period due to COVID-19;

Reply : UGC disburses the scholarships for Postgraduate and Research Students in Direct Benefit Transfer (DBT) on submission of required documents by the Research students endorsed by the concerned Nodal Officer which is done regularly by the Institute.

(d) if so, the reasons therefor; and

Reply : Not Applicable

(e) the details of scholarship amount that is disbursed by the UGC during this period?

Reply : The scholarship is disbursed in DBT mode. Details of scholarship amount disbursed is not readily available with the Institute.

Thanking you

Yours sincerely,

Sub: Provisionally Rajya Sabha Starred Question No. Diary No. S5271, S5277 for answer on 30.03.2022 regading NEED FOR IITs IN RURAL AREAS

Sir,

I am to invite a reference to your e-mail dated March 21, 2022 on the above-mentioned subject and to furnish the requisite information in respect of IIT Indore as stated below:

(a) Whether IITs are needed in the rural area also for giving adequate opportunities of quality technical education to the rural youth;

Reply: Yes, IITs or Technical educational awareness centres in rural area will give adequate opportunities of quality technical education to the rural youth.

(b) If so, the details thereof; and

Reply: In our view, the youth in rural area also has equal intelligence level and IQ level as of Urban students but lack of knowledge and awareness about the technical and scientific growth of the nation and the scope of various educational opportunities they lose the opportunities. Therefore, setting up of IITs or Technical educational awareness centres will help the youth to explore the opportunities of technical education.

c) If not, the reasons therefor?

Reply: Not Applicable, please refer to the reply for Question No. 1 and 2.

Thanking you

Sub: Lok Sabha Unstarred Question No. 3990 for answer on 28.03.2022

Dear Sir,

I am to invite a reference to your e-mail dated March 22, 2022 on the above-mentioned subject and to furnish the requisite information in respect of IIT Indore as stated below:

(a) whether the new Indian Institute of Technology, established during 2008-09, have fallen short on all parameters including performance, administration, infrastructure etc.;

Reply: The academic activities of Indian Institute of Technology Indore are continuously increased from time to time after initiation of it's functioning from year 2009. Some of the major achievements are as under:

➤ The student strength increased from 107 in Academic year 2009-10 to 2362 students in the current academic year 2021-22.
➤ The number of academic pogroms were also increased from 3 UG programs in the year 2009-10 to 35 programs in the current academic year 2021-22 including UG, PG and PhD.
➤ The JEE Advanced opening Rank for B. Tech admission in Academic Year 2021-22 was 505.
➤ The institute have 13 PhD students who secured the prestigious Prime Minister Research Fellowship (PMRF) scholarship award.
➤ With the moto of "Gynam Sarvjan Hitaay" IIT Indore has started M.S. Degree Program in Data Science and Management in collaboration with IIM Indore.
➤ IIT Indore has signed MoUs with national and International Universities for research and developments, Joint Degree programs, Quality improvement programs, workshops to improve the excellency in knowledge exchange and education

(b) if so, the details thereof along with the reasons therefor; and

Reply: IIT Indore was operating from a transit campus (at three different locations) between 2009 to 2015 with restricted space and resources. Limited amount of space constrained increasing the student intake and academic programs. After shifting to the permanent campus in 2015 the institute has a remarkable progress in

academic programs, student strength and also the collaborative initiations in knowledge exchange and research activities. In coming years IIT Indore has plans to launch new academic programmes to increase the seat intake and more collaboration with national and international institutes for knowledge exchange programs and research development.

c) the corrective steps taken or proposed to be taken by the Government in this regard?

Reply: Please refer the reply to Question No.2.

Thanking you
