

POWER

Promotion of Work Experience & Research (PoWER) is a student body under Office of Dean of Research and Development IIT Kanpur, under the supervision of a Board comprising of Faculty Advisors, Chaired by Dean Research and Development and represented by Convener Institute Research and Development Committee, Coordinator, SIDBI Innovation and Incubation Center, and students across various disciplines; to promote and coordinate student research and development through industry-academia interaction.

It aims to provide students the freedom and opportunities to work upon diverse areas of business, technology and existing industrial and national challenges as well as pursue their own ideas so as to become innovators and future leaders. It is also interacting with faculty, departments, alumni and government bodies to create a Sustainable Innovation Ecosystem.
